

A Bill to Ban the Production and Sale of Styrofoam Products

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

SECTION 1. Due to the harmful effects styrofoam has on the environment and human health, all products made of and/or containing styrofoam shall be illegalized within the United States.

SECTION 2. “Styrofoam” defined as products containing the plastic polystyrene, which in turn is defined as a light, usually white plastic used especially for putting around delicate objects inside containers to protect them from damage, or for putting around something to prevent it from losing heat

SECTION 3. The US Department of Commerce will be responsible for making this change and ensuring businesses who sell these products comply.

SECTION 4. Will be put into action January 1, 2022

SECTION 5. All laws in conflict with this legislation are hereby declared null and void.
