

# The Presidential Powers Resolution

**Whereas,** Presidential powers have expanded far past their constitutional limits, and;

**Whereas,** An all powerful president is both unconstitutional and dangerous, and;

**Whereas,** Our congress must take a stand to this slow expansion of power, and;

**Whereas,** Limiting presidential power is a bipartisan issue, therefore be it;

**RESOLVED,** This United States Congress will work to produce legislation to curb current expansions, and check further presidential power expansion.

*This legislation is proudly introduced for debate by East Ridge High School.*
