

A Bill to Move Enriched Students to Upper Grade Specific Classes

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

1 **SECTION 1.** Enriched students in current enriched classes during the school day, will no
2 longer continue these classes. They instead will move up in grade specific
3 classes when their own school decides they are ready for this higher
4 education. Money allotted to current enriched classes will be moved to
5 create these grade specific classes if need be.

6 **SECTION 2.** Enriched students refers to definition of gifted students was originally
7 developed in the 1972 Marland Report to Congress. Enriched classes refers
8 to school class, K-12, that offer higher education materials than the
9 average grade level education during the school curriculum.

10 **SECTION 3.** The Federal and State U.S. Department of Education will work to
11 implement this bill. All criteria stated in the bill must be passed before the
12 second year of its implementation or 5% of the government funding will be
13 cut.

14 **SECTION 4.** This bill will be implemented in before beginning of the 2020 school year
15 for each respective school.

16 **SECTION 5.** All laws in conflict with this legislation are hereby declared null and void.
