

# **A Bill to Require Childhood Immunizations**

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED TODAY:

**SECTION 1:** Children in the United States shall receive all childhood immunizations at the appropriate ages. Children with cancer or children taking drugs that lower the body's immunities shall be exempt until their immunities are restored to normal levels.

**SECTION 2:** Children shall be defined as "a person between birth and full growth; a boy or a girl between the ages of 1 month to the day before their 18th birthday." Childhood immunizations shall be defined as, "vaccines that protect children from more than a dozen childhood diseases."

**SECTION 3:** The United States department of Health and Human Services (DHHS) shall oversee the implementation of this bill.

- A. All parents/gaurdains who do not vaccinate their children will be charged with felony child endangerment and shall be imprisoned for between 1-10 years.
- B. Children who do not receive vaccines will not be allowed to attend school until they receive vaccinations.
- C. Vaccines will be subsidized for those who are unable to afford it and are in the lowest tax bracket.

**SECTION 4:** This law shall become effective January 1, 2019.

**SECTION 5:** All laws in conflict with this legislation are hereby declared null and void.
